Luxury Media for Dye Sublimation Printing

DNP
Photo Imaging

Highlight your photos with a unique glow

DNP introduces Luxury Digital media for the DS620 and DS820 professional printers.

The new luxury digital media gives a magical finish to your digital prints, providing a captivating emotional experience. With Luxury Digital Media, sublimate details, dimensions and depth in architecture, portrait, cityscape, nature and much more. Accentuate images with vibrant eye-popping colors or enhance black and white photos with a unique shine.

With the New Metallic Media, boost solid colors, reflections and negative space with a metal touch. No complementary tools are required to deliver stunning metalized images that radiate. Evoke emotions and be surprised by the rendered images with such exactness that they look almost unreal.
